

After viewing the DVD, answer the following questions, sign and date this form. Return form to Sophia Holloway.

Recovery Orientation and Interactions with Consumers

1) How did watching this video affect your thoughts or feelings about people who have a mental illness?

2) According to the video, the 5 stages in the Recovery Process are Impact of the Illness, Life is Limited, Change is Possible, Commitment to Change and Actions for Change. What part of this process seems most difficult and why?

3) Give an example of how you can support someone in Recovery to have more control and choice in their life?

On this date indicated below, I received training on Recovery Orientation and Interactions with Consumers.
